

SERENNE

— SPA —

Massage Therapist

Position Summary

We are seeking a compassionate and skilled Licensed Massage Therapist to join our wellness team. The ideal candidate will provide therapeutic and restorative massage services that align with our spa's nature-inspired philosophy, ensuring clients experience both physical relief and emotional renewal.

Key Responsibilities

- Deliver professional massage services (Swedish, Deep Tissue, Hot Stone, Prenatal, etc.) tailored to client needs.
- Conduct thorough client intake, including health history and consent forms, to ensure safe and effective treatment.
- Maintain accurate treatment records (soap notes) in compliance with state regulations and spa policies.
- Educate clients on wellness practices, self-care techniques, and follow-up recommendations.
- Uphold hygiene and sanitation standards, including proper cleaning of treatment rooms and equipment.
- Collaborate with spa staff to create a seamless client experience, from scheduling to post-session care.
- Participate in ongoing training and professional development to expand service offerings.

Qualifications

- Licensed Massage Therapist (LMT) in Pennsylvania.
- Up to date on required insurance under PA law.
- Strong interpersonal skills with a client-centered approach.

- Ability to maintain confidentiality and uphold ethical standards.
- Flexibility to work evenings, weekends, and holidays as needed.

Compensation & Benefits

- Competitive commission rates plus tips.
- Opportunities for continuing education reimbursement.
- Employee wellness perks (discounted services, wellness workshops).
- Supportive, nature-inspired work environment.

About Serenne

Our spa is dedicated to creating restorative experiences rooted in nature. We believe in blending professional excellence with a human-centered approach, offering clients a sanctuary for healing, relaxation, and renewal.
